6:35 Logo/Mascot Update- Steve	We are stepping back from the process. The addition of a new communications director there is an opportunity for a smoother selection and rollout process.
6:45 RSTEM Pool Update-Steve	With the decision that RPS would not be renovating RSTEM pool, there was work done to look at how to increase the pool usage at RMS. After multiple meetings with stakeholders and user groups, it was determined there is not a current need for more time during the day. Work will continue to make sure we are maximizing available time and exposure for students at RMS pool.
